Ready, Set, Learn

How do you prepare your Preschooler for School?

Kindergarten teachers & community partners in Abbotsford are having open houses at local schools. Please join us!

As a parent, how do you know what skills and knowledge are really important for school success? Should you be teaching letters? What is more important for developing printing, playing with cars on the floor or practicing letter formation?

Parents, and their children (3 – 5 years old in 2017) are invited to come to a RSL event at their neighbourhood school. Every child will be given a bag of learning supplies. Parents will be given resources and ideas about how to support their child in using these materials. Some schools are doing a series of activities to support our early learners and more information is available at your school. One of the most important things you can do to make sure that your child is successful at school, is to be involved!
