Abbotsford Enrolment (Headcount) History & Projected

Review of Enrolment

Review of Enrolment

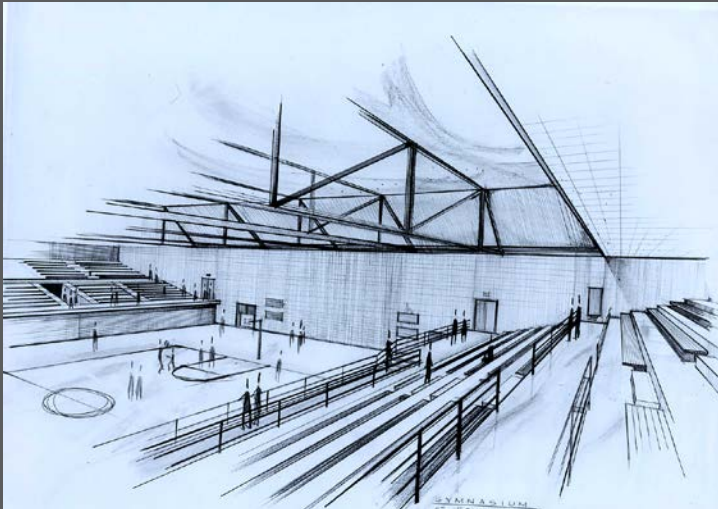

Boundary Review

Policy 18 School Catchment Areas

- **The Board establishes school catchment areas:**
 - Considerations:
 - Long term planning
 - Minimize future boundary adjustments
 - Minimizing walking distances and safety hazards
 - Using geographical features as boundaries
 - Balance of school enrolment/capacity

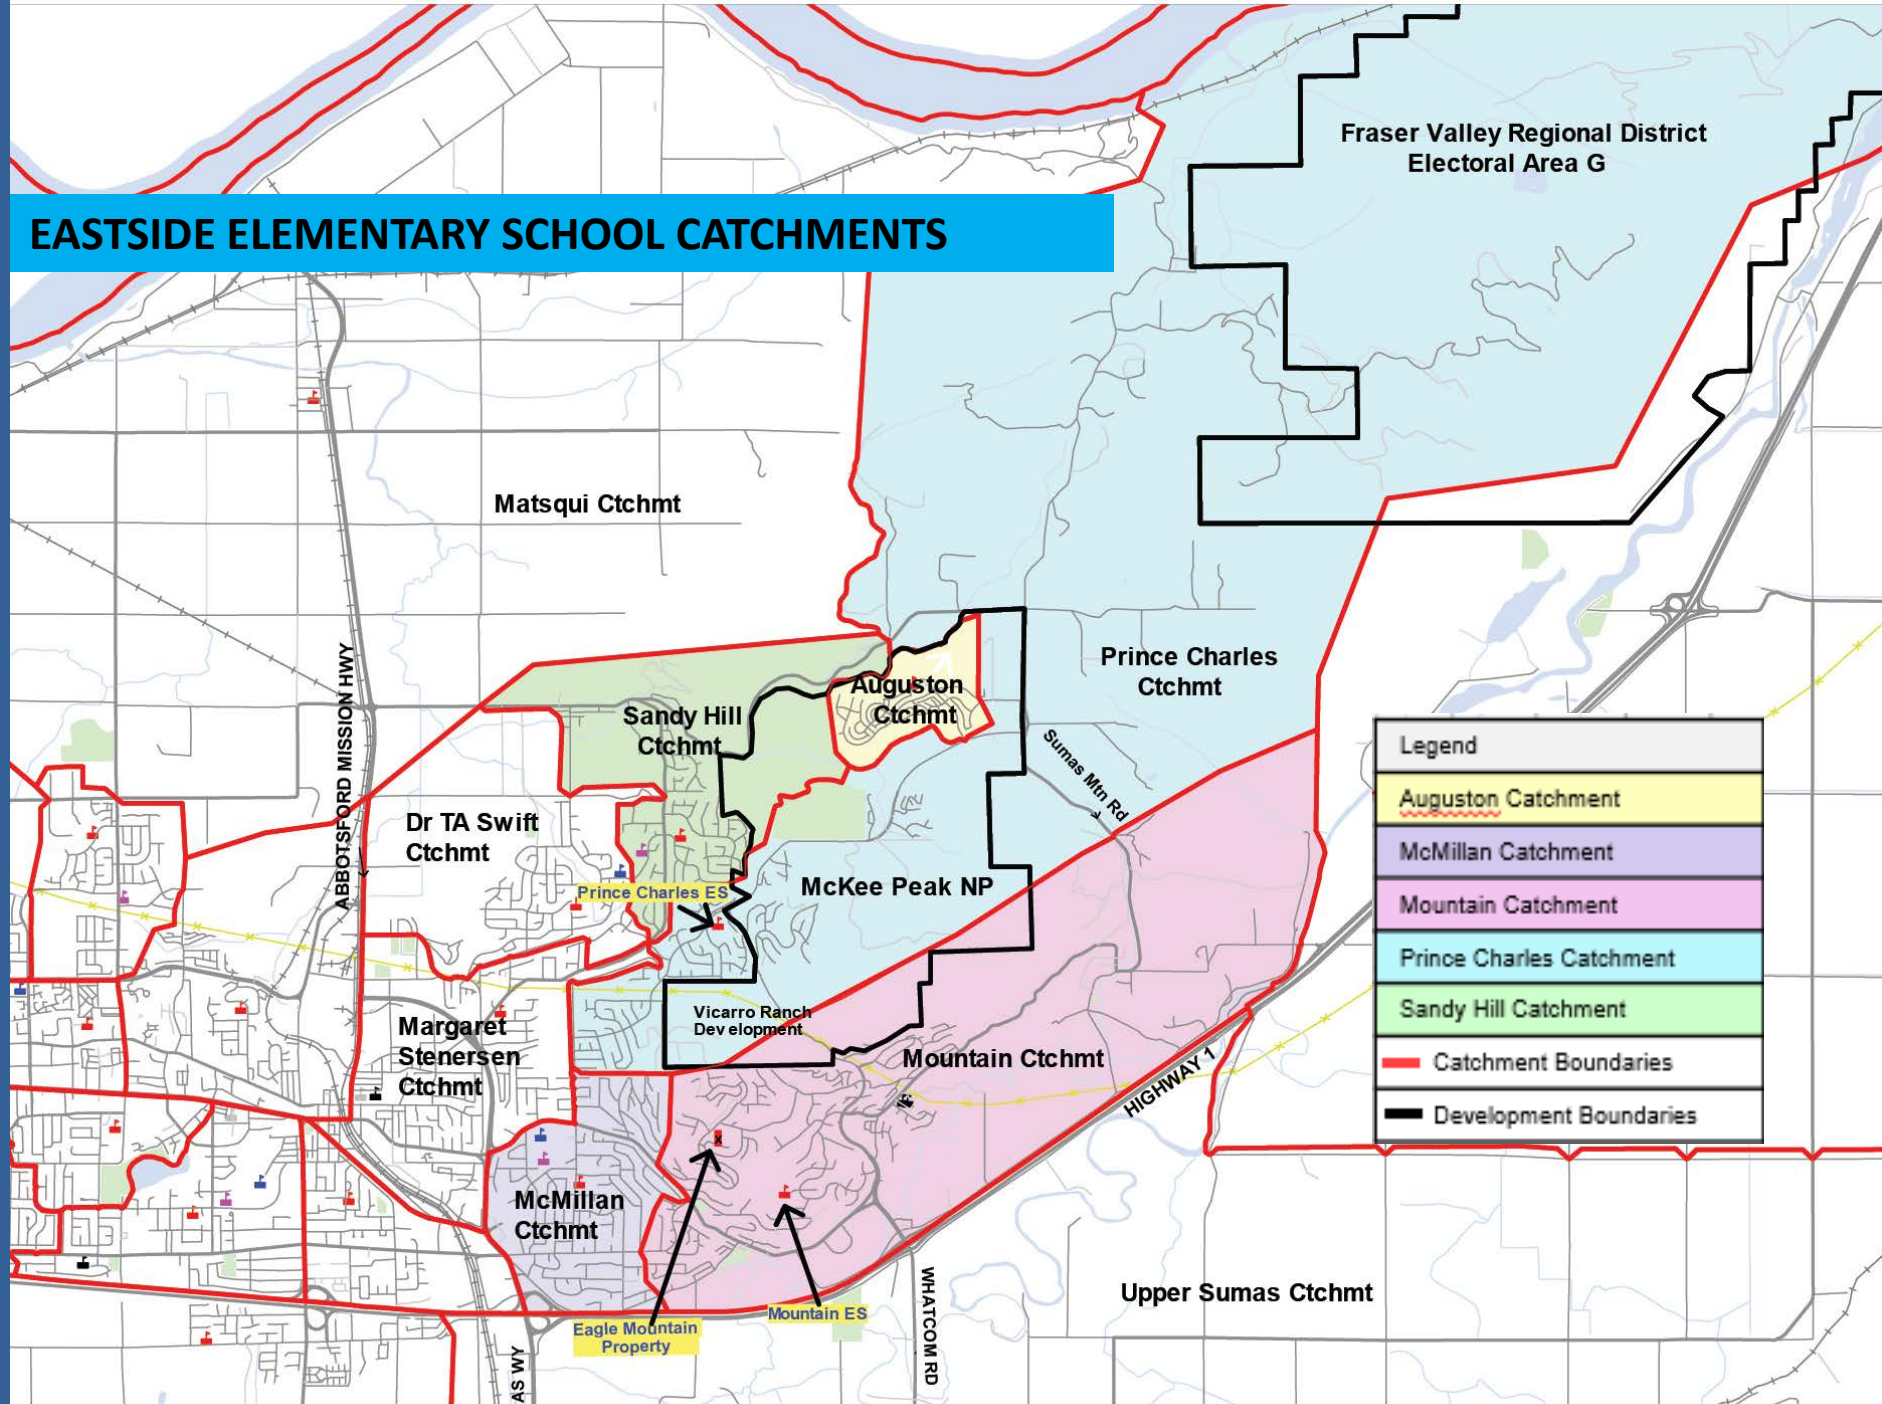

Long-Term Facilities Plan Recommendations

Eastside Schools

- Boundary review
- Expedite the construction of a new Eagle Mountain elementary school
- Restrict out of catchment enrolments
- Review the feasibility of additions to Auguston, Sandy Hill, Clayburn, WA Fraser and Yale Secondary
- Explore options for a new elementary, a new middle and a future secondary school location in the region.

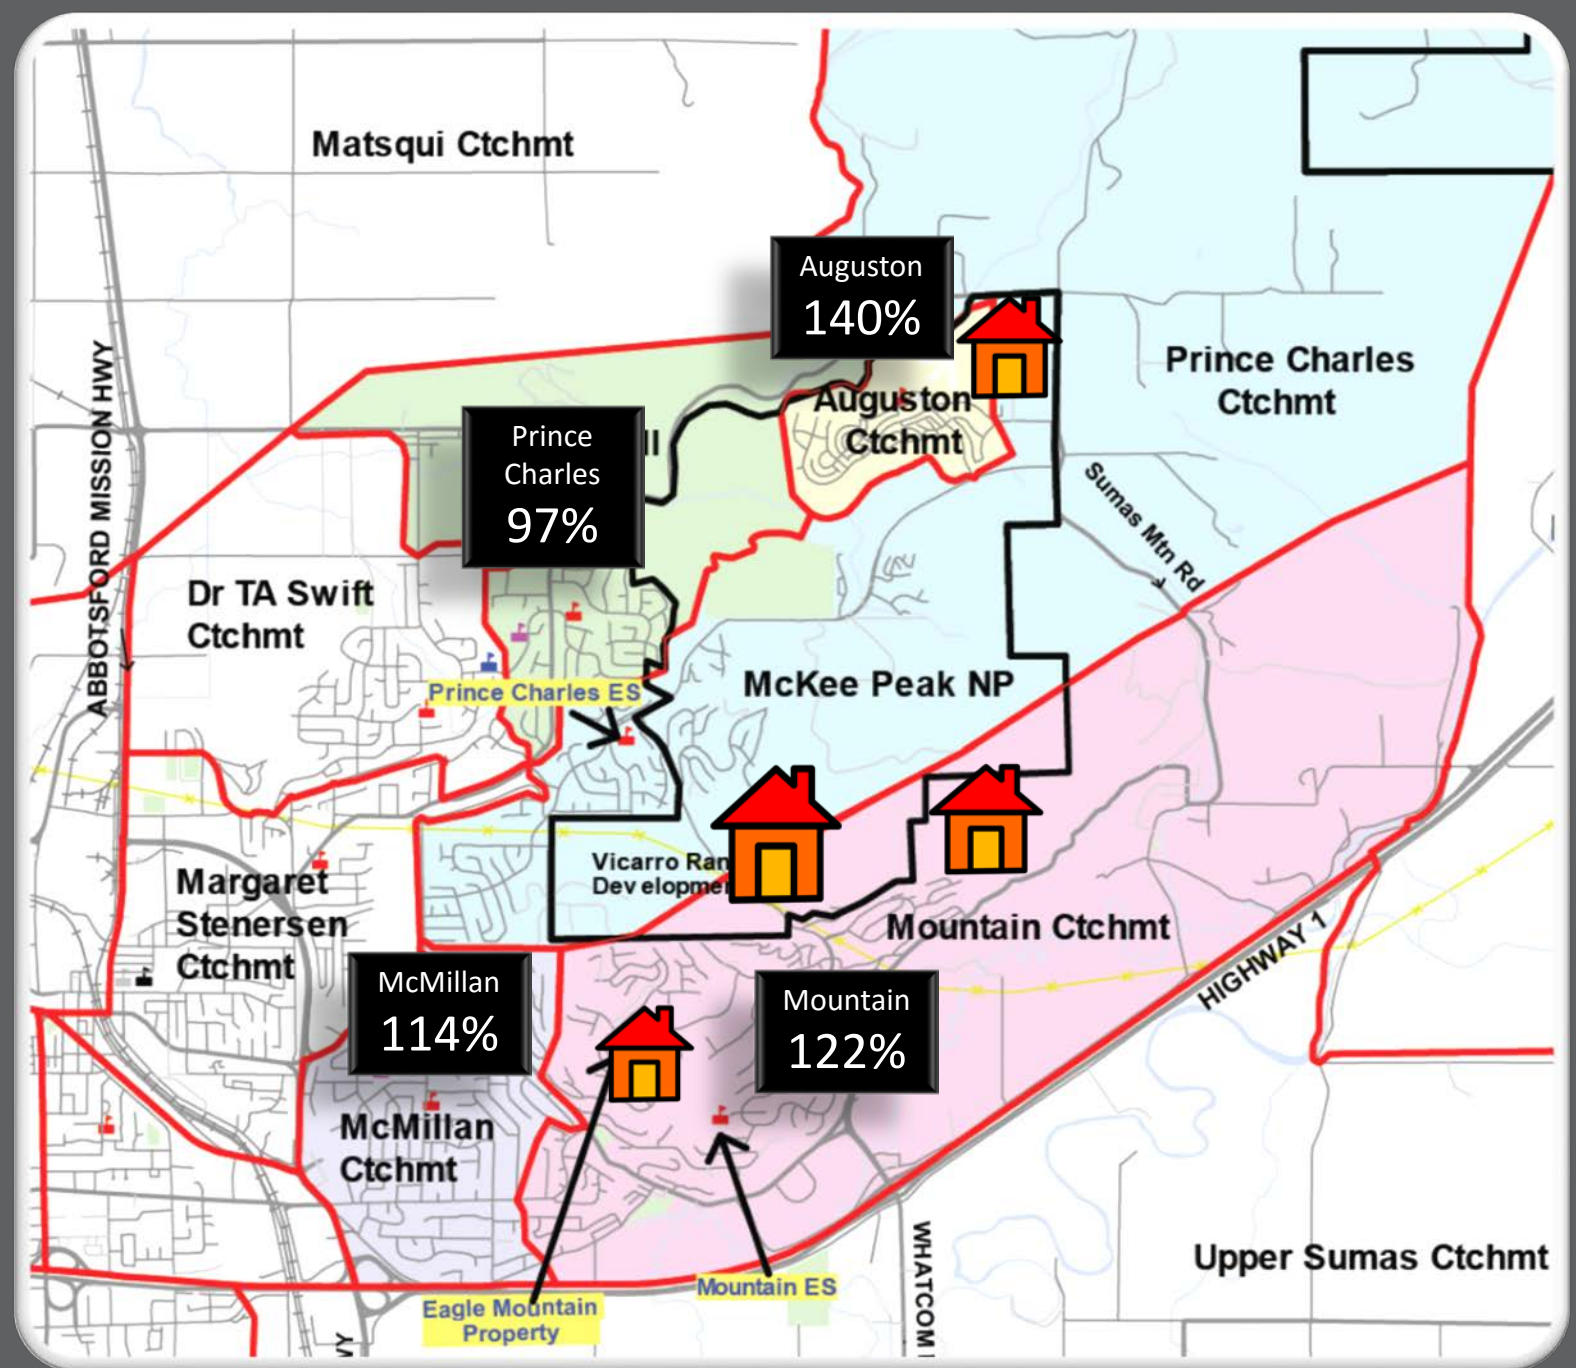

Current Neighbourhood Catchments

Eastside Elementary Catchments
