

PRINCE CHARLES NEWS

MAY 12, 2021

Hello Families!

As we're nearing the end of the year, this is typically the time when families start to think about classes for September. Please see below for more information on class placements.

If you know your child will not be returning to Prince Charles in September, please contact the office as soon as possible.

Another reminder to clear school property after school and to arrive at school in time for 8:35am or 8:45am start time, not earlier. We do not have supervision before 8:25am. These times are to help with maintaining cohorts.

Information and instructions on how to order student school supplies for 2021-22 will be emailed to families soon. Stay tuned!

Class Placements for 2021-2022

Beginning in June, teaching staff will be working together to create draft class lists for September that will ensure the best possible learning environment for every child in the school. We spend a **lot** of time discussing and carefully considering student placements. Decisions will be made with the child in mind, and a more global view of the class composition and school organization. We look at a balance of academic needs, emotional needs, social dynamics etc. and these are all taken into consideration. Your child's current classroom teacher, as well as the school-based team, has invaluable insights to your child's specific academic and social-emotional needs.

We do not accept teacher requests. If you have an educational reason for the staff to consider for class placement, please provide specific reasons. Please note the following procedure: The office will accept written information for classroom placement for the coming school year by **Friday, May 28th**. Please email the principal directly at brittney.wallace@abbyschools.ca. All information shared will be considered during the placement process; however, is not guaranteed.

We would ask that all parents support our staff in the final decisions that are made when classes are built. It is very important for all our students, parents and staff to start the year with a positive outlook for success.
