

How do you prepare your Preschooler for School?

As a parent, how do you know what skills and knowledge are really important for school success? Should you be teaching letters? What is more important for developing printing, playing with cars on the floor or practicing letter formation? **Kindergarten teachers & community partners in Abbotsford are having open houses at local schools. Please join us!**

Parents, and their children (3 – 5 years old in 2020) are invited to come to a RSL event at their neighbourhood school. Parents will be given resources and ideas about how to support their child.

Please contact your neighbourhood school to register for the RSL session at that school. Some schools are doing a series of activities to support our early learners and more information is available at your school. One of the most important things you can do to make sure that your child is successful at school, is to be involved!

School	(604)	Date	Time
